NEWSLETTER OF CAMBRIDGE HEATH AND LONDON FIELDS RAIL USERS

APRIL 2012

No weekend trains

Network Rail has announced that it will be relaying track on our line at weekends until July. Train operator Greater Anglia has confirmed that there will be no weekend trains at our two stations throughout April. Trains to Enfield are starting from Seven Sisters when our two stations are closed. We have tried, so far without success, to clarify what happens after April.

Making progress with the CHLFUG campaign

Improvements since the CHLFUG campaign began:

Off-peak, evening, Saturday and Sunday trains. Oyster card readers, ticket machines with Oyster top-up facilities. Real-time information screens at street level at London Fields. Help points on all platforms. Passenger information system. Live monitoring of CCTV at London Fields. Telephone in London Fields foyer. Platform seats. More timetables and printed information. Re-painting. Improved lighting. Efficient graffiti removal. New signs. Cambridge Heath needle bin removed. Stair edge repairs. Litter collection. Additional entrance at London Fields. Refurbishment of Cambridge Heath station.

Our aspirations for now and the future:

A good Sunday service. Direct trains to Walthamstow and Chingford. Periodic heavy clean of the stations. Resurfacing stairs to provide an easy-clean surface. Reliable ticket machines and Oyster readers. A regular service every 10 to 15 minutes, every day of the week. Real-time train information screens at street level and live monitoring of CCTV at Cambridge Heath. Ticket machines providing a full range of tickets, including PlusBus. Additional station entrance at Cambridge Heath to improve access and safety. Ramps on stairs for cycles. Passenger lifts. Public address system.
